Objective

Kaanbal Suut aims to strengthen the capacities, leadership, and networking opportunities of organized civil society groups in the Yucatan Peninsula to promote the scope of their projects and thereby advance the conservation and sustainability impacts of natural resources in the region.

Lines of work

- 1** Training and assistance to the 20 selected organizations that met the selection process requirements.
- 2** Institutional strengthening of organized groups in the Yucatan Peninsula that work with and/or are led by women, youth, and/or indigenous groups.
- 3** Facilitation of virtual spaces for all the organized groups that make up the Kaanbal Suut network to strengthen their networking opportunities and reinforce the capacities of all the groups.

Achievements

40 organizations improve their institutional effectiveness.

More than 5 established strategic alliances.

100 leaders with developed skills
2,000* people benefited.

*staff of selected organizations.

Data updated at the end of 2022.
